

THE INTERNATIONAL & AMERICAN ASSOCIATIONS OF CLINICAL NUTRITIONISTS

The IAACN is a 501(c) 6 non-profit professional membership organization that services practicing clinical nutritionists in many health care professions. For more than 30 years, we have demonstrated a passion for serving our fellow man and communities by our efforts to improve health and nutritional well-being.

We are committed to making a real difference in the quality of life through alternative medicine, holistic nutrition, homeopathy and preventative health care. In addition, we recognize each individual's innate ability to heal and sustain health, and we are committed to the exploration and support of that process.

The organizational goals of the IAACN are designed to set the stage for a continuing network of experienced clinical practitioners by providing a powerful and cutting-edge nutritional program. Our program offers up-to-date nutritional, biochemical, homeopathic and physiological protocols. This life-time training is a statement of values that cultivates the personal and professional talents of practitioners so that they might provide even more meaningful service to their communities.

The IAACN relies on donations in order to fund clinical nutrition continuing education and to protect and uphold the public freedom of health care choice and the rights to choose nutritional alternatives. We need your support now to reach our goal of \$50,000 to meet our obligations so we can continue providing practitioners and their patients with up-to-date science-based information and protocols.

Donations may be made by check/credit card or bank transfers payable to the IAACN.

Please complete the form below. A receipt will be mailed/emailed to you.

If you want a Donation invoice sent to you that you can pay online, please contact the office.

Thank you for your donation and Supporting Health Freedom!

Kevin Henry
